MEMORANDUM FOR THE RECORD

SUBJECT: Allen Dulles Estate Records

1. In view of the slow pace with which the final review of the Dulles papers is progressing, I contacted Mr. Houston to determine if he foresaw any deadline which the courts might impose.

2. Mr. Houston stated that approximately a week ago he and Col. White discussed this very problem. He stated that Col. White will be in touch with [REDACTED] in an effort to speed up his final processing of the papers.
